Reporting Wetland Violations

If you notice a wetland violation, such as filling in a wetland, illegal discharges to streams or destruction of wetland vegetation, please notify the Commission preferably in writing or email. Your name and phone number must be provided, although you may request to remain anonymous. We require your name and phone number so that we may call you back to obtain more specific information if necessary.

In order to properly investigate reports of wetland violations and other complaints, the Commission needs sufficient information including **exact location and specific nature of the violation**.
