The diagram illustrates a cross-section of a magnetic disk. It features a central vertical axis with a circular track labeled 'A' on its right side. Above track 'A' is a circular track labeled '2', and above that is another labeled 'E'. A horizontal dashed line, representing the read/write head, passes through the center of these tracks. Below the disk surface, a bracketed label 'R/W' indicates the read/write function, and a bracketed label 'OR' indicates the orientation of the disk platters.
